

Lake Erie Design Co. is a design and letterpress studio based out of Cleveland, Ohio and the product of a rust-belt upbringing. Our designs find beauty in simplicity and are often influenced by natural textures, midwest flowers, hand lettered typography, and neutral color palettes.

The vision for this company started during a typography class in college when I was first introduced to the letterpress machine. Shortly after I graduated, my parents tracked down an old Chandler & Price letterpress machine on the west side of Cleveland and surprised me with it. My dad and I spent that summer taking the press apart piece by piece, cleaning and refurbishing it. He put it completely back together from memory, and we began learning the art, mechanics and culture of letterpress printing. I was hooked.

Lake Erie Design Co. officially launched in early 2018. We create simple yet meaningful designs to bring joy and beauty into homes.

## ABOUT OUR PROCESS

### LETTERPRESS PRINTING

*The intricate process of letterpress printing is a truly unique art that we are proud to create. The details are what makes the final products so special. We select and cut all the paper, create designs that are made into printing plates, and mix all our inks by hand.*

### MADE IN THE U.S.A.

*All of our products are made in the U.S.A., many in Northeastern Ohio. We pride ourselves on working with other small businesses in our community whenever possible.*

### QUALITY

*Our process and materials result in high quality products meant to make a lasting impression.*

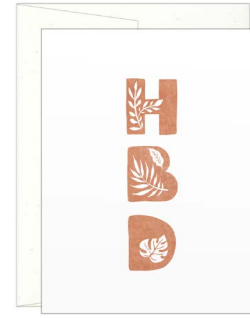

### ECO-FRIENDLY

*Digital prints & cards are made with 10% post consumer waste paper. Letterpress products are made with paper in mills powered by fully renewable hydroelectric generators. Our letterpress inks are EcoSmart certified and environmentally friendly.*

## GREETING CARDS

Our greeting cards are primarily letterpress printed on off white, blush, and charcoal paper. We enjoy combining printing methods, so there are some digital and gold foil printing mixed in as well. All cards are A2 (4.25" x 5.5") with blank interiors and come with either a white speckle envelope, kraft speckle envelope, solid blush envelope, or antique gold envelope. They are packaged in a clear cello sleeve.
